

CALL FOR PAPERS

Global Strategy Journal Paper Development Workshop

AIB Annual Meeting, Copenhagen, Denmark

Sunday, 23 June 2019

Submission deadline: 31 January 2019

Global Strategy Journal is the leading journal on global strategic management research. It aims to shape the direction of conversations on the interaction between the global context and the strategy. It is a journal of the Strategic Management Society. More information on the journal and the society is available at <https://www.strategicmanagement.net/gsj/overview/overview>.

A Paper Development Workshop (PDW) will be offered in connection with the AIB Annual Meeting in Copenhagen. The PDW will be held between **2 pm and 6 pm on Sunday 23 June 2019** at the conference venue, Copenhagen Business School, as part of the pre-conference activities. The purpose of this PDW is to provide scholars with **developmental feedback on their current papers and research projects**. The PDW is open to all scholars, but preference will be given to doctoral students and early career academics. Co-Editors and Associate Editors will provide detailed feedback to the authors in a roundtable discussion format. The workshop will also invite peer feedback from the other participants to offer a rich developmental experience to the authors. While we hope that many of the participating papers will be eventually submitted to GSJ, the purpose of the PDW is broader: to improve the quality of global strategy research by providing quality feedback, and to bring new scholars into the field.

Prospective participants in the 2019 GSJ-PDW are invited to submit their paper manuscripts via the AIB submission system by **Thursday 31 January 2019**. Please note that each participant may submit only one manuscript for the GSJ-PDW at the AIB 2019 Conference. The cover page of the manuscript should include all authors' names, e-mails, and affiliation.

Manuscripts will be selected based on the fit with the journal and quality of their submitted work, and will be notified about the acceptance of their submissions by **28 February**. Participants will be required to confirm their participation by **31 March**, and they will then be invited to submit a revised manuscript (i.e., the version to be discussed at the GSJ-PDW) by **1 June**.

Participants must be registered for the AIB 2019 meeting (<https://aib.msu.edu/events/2019/>) before they confirm their attendance at the GSJ-PDW.
