For assistance or questions, please contact Sheridan Print on Demand Customer Service at: sheridan.pod@sheridan.com

STEP 1: Visit the Sheridan webstore

Navigate to: <https://ondemand.sheridan.com/pages/wiley-home>. Use the search box or scroll down the alphabetical list to find the title you would like to purchase.

The screenshot shows the Sheridan webstore interface. At the top, there is a navigation bar with a search box labeled "Search store..." (highlighted with a red dashed border), a shopping cart icon showing "0 items" and "Check out", and a price tag of "\$0.00". Below the navigation bar is the Sheridan logo and a banner image of several books. The main heading is "WILEY HOME". Below this, a paragraph states: "This portal provides the ability to order annual print subscriptions and also print orders for single issues." followed by "Please follow these simple steps:". The steps are: 1. Find the journal you are interested in from the menu below. Or select Search Titles and type in the name of journal in which you are interested. 2. Select your title. The next page will allow you to order a print subscription or to purchase single issues. Below the steps is a list of journal titles: ACADEMIC EMERGENCY MEDICINE, ACTA NEUROLOGICA SCANDINAVICA, and ACTA PAEDIATRICA.

STEP 2: Specify purchase type

Once the correct title has been selected, choose the desired option: annual print subscription or single issue. Click the “Details” button next to the item you wish to purchase.

The prices displayed on this screen are the list prices - the Member Direct discounted price will be visible later in the process after the discount code has been applied. Member Direct discounts are for members and other designated society-related individuals only. Do not share the discount code with others.

Member Direct discounts apply to full-year subscription orders for a specific title only. Single issues can be purchased on the webstore at the advertised price but are not available for discount.
